Interview prep	Collaborate with AI	Mock interviews.
Research papers	Delegate with review	Summarize then verify.
Documentation	Collaborate with AI	Draft then refine.
Emails	Delegate with review	Professional tone.
Git commits	Fully automate	Routine formatting.
Standups	Delegate with review	Summarize work.
Learning	Just me	Need genuine understanding.

Tool Setup: ChatGPT ✓ Claude ✓ Anthropic Academy enrolled ✓ Claude Project configured ✓

Three Target Tasks

1. Resume optimization – success: ATS-ready with role keywords.
2. ML debugging – success: notebook runs without errors.
3. Documentation – success: clear, accurate, minimal edits required.
